

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 25 April 2022.

I am pleased to confirm the following.

### **Prosthetic knees**

MKUH does not supply prosthetic limbs. Patients who have undergone major lower limb amputation are referred to Limb Fitting Centres in Northampton or Luton who provide prostheses.

As Milton Keynes is not the Vascular hub for our network, major amputations are almost invariably done in Bedford.
