

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 07 July 2022.

I am pleased to confirm the following.

**1: can you advise if the trust uses printed cable ties for their waste? if the answer is no, would the trust consider using them, if the price is right for the trust? also we would like to let the trust know within the next 18 months the cable ties will be fully biodegradable from SPK promotions, but currently we only use and supply nylon PA66.**

Yes

**2: can you advise the size of cable tie, the colour and print required?**

4.8 x 2000MM, Black

**3: can you advise if you123 are currently under contract when is the end date?**

No

**4: can you advise the person or departments contact details, who deals with these and orders them?**

[Estateshelpline@mkuh.nhs.uk](mailto:Estateshelpline@mkuh.nhs.uk)

**5: can you advise the price per thousand of these which the trust would like to pay to keep their consumable prices down, not what they pay already?**

25,000 tags at £27.00 per pack

**6: would the trust like to see samples from SPK promotions, free of charge.**

No thank you

**7: can we advise the trust that we currently can provide as many prints as possible (maybe for wards and departments to have their own ties) instead of just 1 generic print (ie the trust name), and we have the facility and large storage to print ahead and store until delivery , so no lead times .**

**8: can we advise the trust we can supply references if needed from the many trusts we**

**already supply.**
