

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 21 September 2022.

I am pleased to confirm the following.

### **1. Whether your Trust applies a recruitment and retention premium for this workforce. If so, what is it?**

12%

### **2. What issues do recruitment and retention premia across the region (and neighbouring regions) have on your ability to attract and retain the cardiac physiologist workforce?**

Approximately the same level of RRP on the neighbouring hospitals, although there are up to 17.5% RRP in some of the London Hospitals (on top of the London living percentage – up to 20%) that makes it hard to compete.

### **3. Does your Trust currently participate in digital passporting?**

No

### **4. If not, would this be of interest?**

It would be something to explore in the future.
