

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 18 August 2022.

I am pleased to confirm the following.

### **1) How many computers (desktop or laptop) are currently owned by and in use at your organisation?**

3700.

### **2) How many of these do not have a Windows 11-approved processor (as determined by the attached list)?**

As we have an active project to replace pcs this number is changing, but approximately 1000 PCs are not capable of W11 and are being replaced. To be clear we are W10 only site and are actively migrating to W11 and have procured all equipment required to do this.
