Thank you for your request for information which we received on 21 July 2022.

I am pleased to confirm the following.

**When did your trust begin referring patients through the NHS DMS?**

**How many patients has your trust referred to community pharmacies through the DMS between 15 February 2021 and 14 July 2022?**

**How many patients has your trust discharged in total within this timeframe?**

**According to [national guidance for operating the DMS](#), trusts are responsible for developing their own eligibility criteria for patients referred through the service that meet “local population needs” (see page 13).
