

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 23 September 2022.

I am pleased to confirm the following.

Please provide me with an annual breakdown of the total number successful clinical negligence claims made against the trust in the maternity sector and the total value of the damages paid out in the maternity sector, broken down at a site-level.

I am specifically requesting the information at a site-level, not at the trust-level. That means the data you provide should be broken down by individual sites - e.g. separate data for a hospital the trust manages, as well as a midwife-led unit.

Please indicate if a site is a midwife-led unit i.e. freestanding from a hospital.

Please follow the link below.
