

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 26 October 2022.

I am pleased to confirm the following.

1. In the latest 12 months of data available, how many patients have been diagnosed as having:

A. Heart failure with reduced ejection fraction (HFrEF)

B. Heart failure with preserved ejection fraction (HFpEF)

Please see attached document

2. How many of the HFrEF were Iron deficient?

A. How Many patients received an intravenous iron treatment

B. How many patients received oral iron treatment

C. How many patients did not receive any iron treatment

3. Of the HFrEF patients that did receive an iron treatment, how many were readmitted for any reason in the 12 months following their initial admission

4. Of the HFrEF patients that did not receive an iron treatment, how many were readmitted for any reason in the 12 months following their initial admission?

Clinical Coding does not code reduced ejection fraction (HFrEF) so therefore we are not able to provide any data related to this condition
