

## ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on 04 October 2022.

I am pleased to confirm the following.

**As of the date of this request, what is the longest amount of time - in days - that one of your outstanding structural maintenance issues has been left unresolved? Structural maintenance issues could include leaks, collapsed ceilings and creaking support beams.**

**Please could you answer Q1 for the three structural issues which have been left unresolved for the longest amount of time, in descending order.**

**Please send all of your trusts' hospital reports - commissioned since 01/01/22 - into the safety of their buildings and the risk posed to patients in the event of structural failure in the hospitals. If there are no reports as of 01/01/22, please send the Trusts' most recent report.**

There are no structural maintenance issues or failures either currently or historically that have been left unresolved or outstanding.
