

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 10 November 2022.

I am pleased to confirm the following.

The number of gynaecologists with expertise in (a) diagnosing and managing endometriosis and (b) training and skills in laparoscopic surgery (as defined in NICE guidance* on endometriosis) working within your Trust.

MKUH currently has 13 consultants within the department of Obstetrics and Gynaecology, all have completed their post-graduate training in Obstetrics and Gynaecology where achieving proficiency and competency in laparoscopic surgery is a part of the matrix requirement for completion of this training before becoming a consultant

The number of gynaecology specialist nurses with expertise in endometriosis (as defined in NICE guidance* on endometriosis) working within your Trust.

MKUH has two named nurses that participate in the monthly endometriosis MDT

The number of healthcare professionals with an interest in gynaecological imaging (as defined in NICE guidance* on endometriosis) working within your Trust.

MKUH has a Lead radiologist for the endometriosis MDT
