

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on 13 February 2023.

I am pleased to confirm the following.

1. Has the Trust undertaken and completed any capital construction projects within the last 5 years?

Large Capital Projects complete in the last 5 years:

- Cancer Centre: Completed & Occupied: February 2020
- Maple Centre: Completed & Occupied: October 2022
-

2. If yes, was a post occupancy evaluation (POE) study carried out after the project's completion?

- Cancer Centre - Yes: POE carried out as part of P22 process.
- Maple Centre - Currently being carried out by the PSCP - not yet complete.
-

3. If no, what were the reasons for not carrying out a POE?

- N/A
-

4. If a POE was carried out did the Trust find the results of this beneficial?

- Post Project Evaluation was carried out as part of an internal Trust process – the POE outcomes were transferred to this. Learning was shared with the organisation through the governance processes. Yes – the results were found to be beneficial in the development of future projects.
-

5. If a POE was carried out were the results published and/or shared within the wider NHS?

- POE process was shared within the P22 sphere as this is a requirement of the procurement process. We do not know how this has been used?
- The trust has not published its PPE.
-

6. Please could contact details be provided of anyone within the Trust who would be willing to take part in a more detailed discussion about POE
