

## Inpatients with a Primary Diagnosis of Miscarriage

Detailed below are the total number of inpatients discharged from MKUH between the **1st January 2017 and the 30th November 2022**, who had one of the ICD-10 codes listed on the 'Codes' tab assigned to their inpatient spell in the primary position, split by ethnicity and year of discharge.

Please note clinical coding is only complete until 30th November 2022 so no data can be provided for December 2022.
