

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Wednesday 12th July 2023. I am pleased to confirm the following.

I am writing to request, under the Freedom of Information Act, a copy of any analysis your trust has made of the impact that industrial action this year has had, or is likely to have, of the trust's ability to meet its elective recovery targets.

The organisation is doing everything possible to manage the elective waiting list in line with the national ask, taking into consideration several factors including IA.

No such written analysis has been undertaken, given the constantly evolving situation.
