

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Wednesday 9th August 2023. I am pleased to confirm the following.

I would like to see the data you sent to the MHRA between 1st Dec 2020 and 31st Dec 2022 regarding Adverse Reactions to the AstraZeneca Covid vaccine. I believe this data was sent on a weekly basis, was broken down by type of reaction and recorded whether there had been any fatalities.

Please let me know if would like me to clarify anything. If this request takes me over the data limit, please limit my request to the 1st Dec 2020 to 31st Dec 2021 (and to specific months after that if it still takes me over the limit)

MKUH did not use the AstraZeneca vaccine and so we did not make any returns.
