

Date of Report: 08/11/2023

FOI - 8450 - Patients Admitted from Care Homes

Questions	Notes/Comments	Response																																																																																																																															
<p>Could it be possible to report on how many people in the last year have been admitted to hospital from a residential or nursing care home and the reason for admission.</p> <p>Upon clarification the requestor also asked for these to be broken down by care home.</p>	<p>a) Provided are the number of inpatients discharged from MKUH between the 1st October 2022 and the 30th September 2023 where a patient was admitted from a care home, split by care home.</p> <p>Please note: only MK postcode care homes that we have on file are included.</p>	<p>b) Provided are the number of inpatients discharged from MKUH between the 1st October 2022 and the 30th September 2023 where a patient was admitted from a care home, split by admitting primary diagnosis code chapter.</p> <p>The primary diagnosis code chapter has been provided rather than the specific diagnosis code to prevent possible patient identification. ICD-10 codes have been grouped into chapters using guidance provided by the clinical coding team.</p> <p>We are also unable to break this data down to care home level because at that level there are many diagnosis categories which only contain one person. This could potentially lead to the identification of patients.</p> <p>Please note: only MK postcode care homes that we have on file are included.</p>	<table border="1"> <thead> <tr> <th data-bbox="1361 256 1890 274">ICD-10 Primary Diagnosis Code Chapter</th> <th data-bbox="1890 256 2029 274">Number of Discharges</th> </tr> </thead> <tbody> <tr><td>Diseases of the respiratory system</td><td>259</td></tr> <tr><td>Symptoms, signs and abnormal clinical and laboratory findings, not elsewhere classified</td><td>221</td></tr> <tr><td>Injuries, poisoning and certain other consequences of external causes</td><td>220</td></tr> <tr><td>Diseases of the digestive system</td><td>141</td></tr> <tr><td>Certain infectious and parasitic diseases</td><td>130</td></tr> <tr><td>Neoplasms (benign and malignant)</td><td>120</td></tr> <tr><td>Diseases of the genitourinary system</td><td>116</td></tr> <tr><td>Diseases of the circulatory system</td><td>83</td></tr> <tr><td>Diseases of the musculoskeletal system and connective tissue</td><td>61</td></tr> <tr><td>Endocrine, nutritional and metabolic diseases</td><td>39</td></tr> <tr><td>No Diagnosis Given</td><td>35</td></tr> <tr><td>Diseases of the nervous system</td><td>29</td></tr> <tr><td>Factors influencing health status and contact with health services</td><td>27</td></tr> <tr><td>Diseases of the skin and subcutaneous tissue</td><td>26</td></tr> <tr><td>Diseases of the eye and adnexa</td><td>25</td></tr> <tr><td>Mental and behavioural disorders</td><td>25</td></tr> <tr><td>Pregnancy, childbirth and the puerperium</td><td>24</td></tr> <tr><td>Codes for special purposes including COVID</td><td>21</td></tr> <tr><td>Diseases of the blood and blood-forming organs and certain disorders involving the immune mechanism</td><td>19</td></tr> <tr><td>Certain conditions originating in the perinatal period</td><td>5</td></tr> <tr><td>Congenital malformations, deformations and chromosomal abnormalities</td><td>2</td></tr> <tr><td>Diseases of the ear and mastoid process</td><td>1</td></tr> <tr><td><b>Grand Total</b></td><td><b>1629</b></td></tr> </tbody> </table>	ICD-10 Primary Diagnosis Code Chapter	Number of Discharges	Diseases of the respiratory system	259	Symptoms, signs and abnormal clinical and laboratory findings, not elsewhere classified	221	Injuries, poisoning and certain other consequences of external causes	220	Diseases of the digestive system	141	Certain infectious and parasitic diseases	130	Neoplasms (benign and malignant)	120	Diseases of the genitourinary system	116	Diseases of the circulatory system	83	Diseases of the musculoskeletal system and connective tissue	61	Endocrine, nutritional and metabolic diseases	39	No Diagnosis Given	35	Diseases of the nervous system	29	Factors influencing health status and contact with health services	27	Diseases of the skin and subcutaneous tissue	26	Diseases of the eye and adnexa	25	Mental and behavioural disorders	25	Pregnancy, childbirth and the puerperium	24	Codes for special purposes including COVID	21	Diseases of the blood and blood-forming organs and certain disorders involving the immune mechanism	19	Certain conditions originating in the perinatal period	5	Congenital malformations, deformations and chromosomal abnormalities	2	Diseases of the ear and mastoid process	1	<b>Grand Total</b>	<b>1629</b>
