

***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on Tuesday 13<sup>th</sup> February 2024. I am pleased to confirm the following.

**What are the waiting times for patients' surgeries (to be operated on) in every hospital department, descending from 'most' to 'least' time having to wait in each department? E.g. gynaecology department, 14 months.**

**What are the statistics for waiting times in how they have changed in the previous years, dating from 2023 to 2019?**

**What is the average waiting time for a surgery currently?**

**What is the number of staff performing operations at the hospital, and how have the numbers changed yearly, dating from 2024 to 2019?**

**What is the number of patients that have waited over 12 months for a surgery so far in 2024? E.g. since January 2024, 1230 patients have waited 15 months for a surgery – and then so on, going down.**

**How has this number changed from previous years, dating from 2023 to 2019?**

**What is the average number of patients on waiting lists for a surgery, yearly from the years 2024 to 2019?**

**How many operations have taken place from the 1st to 7th January 2024, or any other consecutive week so far this year (in one week) and how have the numbers changed on the same dates from the years 2023 to 2020?**

All the information above can be found by following the link below.
