

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Thursday 25th April 2024. I am pleased to confirm the following.

Please provide the total number of patients in which their treatment was coded as 'Pregnancy with abortive outcome' using one of the following ranges: O030-O39 Spontaneous abortion, O040-O049 Medical abortion, or O070-O079 Failed attempted abortion – I have included a full set of the required ICD-10 codes at the bottom of this request.

For each individual code, as noted below, I would like the totals for each twelve-months period from 01 January 2017 to 31 December 2023. My preference is the totals in each calendar year, Jan-Dec, but understand if you are only able to provide this in your chosen financial years, e.g., April – March, in which case from 01 April 2016 to 31 March 2024.

Please see attached document.
