### ***Request under Freedom of Information Act 2000***

Thank you for your request for information which we received on Friday 31<sup>st</sup> May2024. I am pleased to confirm the following.

**For each year from 2013 up to and including 2024, please provide the number of babies born under your trust who were diagnosed with Neonatal Abstinence Syndrome (NAS). I would like to know how many babies with an inpatient episode immediately after birth which are coded with one of the following in either the primary or a secondary diagnosis:**

**P96.1 (Neonatal withdrawal symptoms from maternal use of drugs of addiction)**

**P04.4 (Fetus and newborn affected by maternal use of drugs of addiction)**

**Z03.6 (Observation for suspected toxic effect from ingested substance - NAS observation)**

Please see attached document.

Please be advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely

Freedom of Information Co-ordinator  
For and on behalf of Milton Keynes Hospital NHS Foundation Trust
