

Date of Report : 22/10/2020

1154 - FOI - 5459 - Urothelial and Lung cancer chemotherapy

Questions	Performance & Info comments	Answer
Q1. In the past 3 months, how many Urothelial cancer patients were treated with the following:	The data provided is from July 2020 - September 2020.	
Atezolizumab	None	None
Carboplatin with Gemcitabine		
Carboplatin with Paclitaxel		
Carboplatin single or in any other combination		
Cisplatin with Gemcitabine	We have provided the number of patients treated using only this chemotherapy combination drugs.	1
Cisplatin single or in any other combination	None	None
Nivolumab		
MVAC with G-CSF		
Pembrolizumab		
Any other regimen including Paclitaxel		
Any other chemo regimen		
Other active systemic anti-cancer therapy [please state]		
Palliative care only	We are not able to provide this data without going through the patient notes.	N/A

Q2. In the past 3 months, how many non-small cell lung cancer (NSCLC) patients were treated with:	The data provided is from July 2020 - September 2020.	
Afatinib	We have provided the number of patients treated using only this chemotherapy drug.	4
Alectinib	We have provided the number of patients treated using only this chemotherapy drug.	0
Atezolizumab + Bevacizumab + Carboplatin + Paclitaxel	We have provided the number of patients treated using only this chemotherapy combination drugs.	1
Atezolizumab monotherapy	We have provided the number of patients treated using only this chemotherapy drug.	0
Bevacizumab	We have provided the number of patients treated using only this chemotherapy drug.	0
Brigatinib	We have provided the number of patients treated using only this chemotherapy drug.	0
Ceritinib	We have provided the number of patients treated using only this chemotherapy drug.	0
Crizotinib	We have provided the number of patients treated using only this chemotherapy drug.	2
Dacomitinib	We have provided the number of patients treated using only this chemotherapy drug.	0
Docetaxel monotherapy	We have provided the number of patients treated using only this chemotherapy drug.	1
Durvalumab	We have provided the number of patients treated using only this chemotherapy drug.	1
Erlotinib	We have provided the number of patients treated using only this chemotherapy drug.	1
Gefitinib	We have provided the number of patients treated using only this chemotherapy drug.	0
Gemcitabine	We have provided the number of patients treated using only this chemotherapy drug.	1
Necitumumab	We have provided the number of patients treated using only this chemotherapy drug.	0
Nintedanib with Docetaxel	We have provided the number of patients treated using only this chemotherapy combination drugs.	2

Nivolumab	We have provided the number of patients treated using only this chemotherapy drug.	0
Osimertinib	We have provided the number of patients treated using only this chemotherapy drug.	0
Paclitaxel	We have provided the number of patients treated using only this chemotherapy drug.	0
Pembrolizumab chemo in combination	We have provided the number of patients treated using only this chemotherapy combination drugs.	4
Pembrolizumab monotherapy	We have provided the number of patients treated using only this chemotherapy drug.	27
Pemetrexed	We have provided the number of patients treated using only this chemotherapy drug.	0
Pemetrexed with Carboplatin	We have provided the number of patients treated using only this chemotherapy combination drugs.	2
Pemetrexed with Cisplatin	We have provided the number of patients treated using only this chemotherapy combination drugs.	0
Ramucirumab	We have provided the number of patients treated using only this chemotherapy drug.	0
Vinorelbine and cisplatin/carboplatin	We have provided the number of patients treated using only this chemotherapy combination drugs.	1
Q3. Could you please provide the total number of patients with any treatment in the last three months for:	The data provided is from July 2020 - September 2020.	
Total non-small cell lung cancer (NSCLC)	All Patients with Morphology codes 80103, 80463, 80703 and 81403.	47
Squamous non-small cell lung cancer (Sq NSCLC)	All Patients with Morphology code 80703.	14
Non-squamous non-small cell lung cancer (Non-Sq NSCLC)	All Patients with Morphology codes 80103, 80463 and 81403.	33
