Under section 12(1) of the FOIA, MKUH is not obliged to comply with an information request where to do so would exceed the appropriate limit. We estimate that the cost of locating and collating any relevant information and extracting the information to meet your request would exceed the appropriate limit of £450 specified in the Freedom of

Information and Data Protection (Appropriate Limit and Fees) Regulations 2004. We are therefore unable to comply with it. The £450 limit is based on work being carried out at a rate of £25 per hour, which equates to 18 hours of work per request. The cost of locating, retrieving and extracting information can be included in the costs for these purposes.
