

Friday 20th December 2024

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Friday 20th December 2024. I am pleased to confirm the following.

How many patients have been treated in A and E in 2024 where the clinician has recorded that their condition was result of complications from weight loss jabs, like semaglutide or tirzepatide.

MKUH are unable to answer this FOI as we can't identify if the patient's A&E visit was linked to the use of the injectable form of semaglutide/tirzepatide. We don't have codes to identify this.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely

Freedom of Information Co-ordinator
For and on behalf of Milton Keynes Hospital NHS Foundation Trust
