

28 January 2025

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Thursday 23 January 2025. I am pleased to confirm the following.

The name of all document management systems (not patient records) currently in use by your trust.

The name of the policy management system (if any) currently in use by your trust.

The name of any board report portals / systems currently in use by your trust.

The cost of these systems, including any licensing or ongoing support fees.

Whether there are any open tenders or procurement processes related to document or policy management systems that your trust is currently involved in or plans to release in the near future.

The cost of this module is not itemised separately therefore we are unable to provide this information.

Please be advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to copyright and the Re-Use of Public Sector Information Regulations (1st July 05) and authorisation from Milton Keynes Hospital NHS Foundation Trust will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are unhappy with the information received in response to this request, please address your complaint to the Patient Affairs Office at Milton Keynes Hospital NHS Foundation Trust, Standing Way, Eaglestone, Milton Keynes MK6 5LD. If, after exhausting our internal process, you are still unhappy with the information received, you may write to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

If you need any further assistance, please do not hesitate to contact us at the address above.

Yours sincerely

Information Governance Administrator
For and on behalf of Milton Keynes Hospital NHS Foundation Trust

Any re-use of this information will be subject to the
'Re-use of Public Sector Information Regulations' and best practice.
