MKUH does not give out the names of staff members

Do the Trust have a reusable sharps solution in place to reduce the amount of single use plastic that is incinerated in traditional practices?

Yes

Are there any onsite treatment facilities located on Trust premises which would mitigate the need for ensuing carbon footprint through the road miles that it takes to take the waste away.

Not currently

This information will provide me clarity within my research so that I can ascertain trends across multiple Trusts so any information you can provide me would be greatly appreciated

Kind regards and thank you in advance,
