13 May 2025

Request under Freedom of Information Act 2000

Thank you for your request for information which we received on Friday 25 April 2025. I am pleased to confirm the following.

Medical Device Integration

1. Is the Trust HIMMS accredited? If so, what level of accreditation has been achieved?

We have previously accredited at level 5

2. Does the organisation have an existing Electronic Patient Record (EPR) system? If yes, please provide details of the EPR product, including the provider and product name.

Yes - Oracle Health

3. When is the renewal date for the current EPR system?

May 2028

4. Does the Trust have a solution in place to automatically send patient data from medical devices to the main Hospital Information System / EPR?

Yes, some medical devices are connected to our Oracle Health EPR

5. Is there a single interoperability platform for all medical devices that automatically sends data to the main hospital information system?

No, dependent on the capabilities of the medical device they and data they have, we may have used alternative solutions

6. If yes to question 5, who is the supplier and what is the name of the product?

N/A

7. If yes to question 5, when does the current contract end?

N/A

8. Is the Trust reviewing any projects that require the integration of medical devices with the main hospital information system / EPR?

Not as a whole.

9. If no to question 5, is the Trust currently evaluating suppliers and product options for medical device interoperability with the main hospital information system (PAS/EPR)?

No

10. If no to question 5, is the Trust interested in learning about Enovacom's software-only solution and how other NHS customers are adopting our technology?

Information can be sent into IT about new software solutions.

11. Who is the lead person to contact regarding projects of this nature?

We would connect with the Chief Clinical Information Officer, Chief Digital Transformation Officer, or EPR Programme Director. Contact can be made via the IT service desk

Enterprise Application Integration

12. Does the Trust currently have an integration engine for securely exchanging data between software systems both internally and externally?

Yes

13. If yes to question 12, what is the product name?

Mirth/NextGen

14. If yes to question 12, do you intend to change your current integration engine?

No

15. If yes to question 14, when does the contract for your current integration engine end?

N/A

16. If no to question 12, do you intend to purchase an integration engine?

N/A

- 17. If yes to question 16, when do you plan to purchase it? N/A
- 18. Who is the lead person to contact about projects of this nature? Please provide their name, email, and phone number if possible.

MKUH does not give our names of staff members

Data Warehouse

1. There are three main architecture patterns for delivering a Shared Care Record to share data with the ICS. Please identify the Trust's chosen option:

a. Centralised Model – Data is stored in a centralised, consolidated data repository. Data shared by HIE participants is normalised, housed in, and accessed from a central data repository.

2. Does the Trust currently have a data repository for the above requirement if selecting b or c?

N/A

3. If yes, is it FHIR-based?

N/A

4. What is the name of the product?

N/A

5. Who is the supplier?

N/A

6. When is the contract renewal date?

N/A

7. Is the Trust looking to purchase a data repository?

No current plans

8. If yes, when does it plan to purchase it?

N/A

9. Who is responsible for sourcing the data repository? (Please provide name, email, and phone number if possible.)

MKUH does not give our names of staff members
